So, how'd you like the bong?
My son thought it made a great bubble pipe, but my wife doesn't want it in the house at all.
Hold up, you got a wife?
Yeah.
an' a kid?
Uh-huh.
And yer workin' here?
So it seems.

So... you'll be moving out soon.
Very soon actually.
R.C. and I have the apartment lined up now.
You know, I never realized how much our family has come to depend on you, until we found out you were leaving.
It's a good thing Thomas got that new job, or we-
Wait — gosh, I didn't mean to leave you all in the lurch! Do you need money or something?
Nah - It might be lean for a while, but we need to figure out how to stand on our own feet again.
Timmy might feel differently though.
WAAAAH!
You can't leave! I have a standard of living I've gotten accustomed to!

I don't want someone like that in here with us!
This is bullcrap!
Well, I'm happy I come here already!

"Our new special friend"

Okay - my name is Zig Zag, and I run my own adult entertainment studio.
WOO!
Calm down.
I'm here because I tracked down a criminal who seriously hurt a close friend of mine, and beat him mercilessly.
Thank you, Zig Zag. Can anyone tell us what was wrong with how she handled the situation?
NOT - A - DAMN - THING!
Okay, anyone besides Joe-Jack?

All right, most of my stuff is packed up in a couple dozen plastic totes.
TOYS
TOYS
TOYS
TOYS
Amy and Thomas will hold on to the furniture, so it's just these, and a few computers.
It's about the same for my stuff, except for more furniture and more computers.
I think we're probably gonna need a truck.
Agreed.

So anyway, a new movie is on the way, and they're already previewing new action figures for it.
And?
©EWS
AND... they're literaly worse than a billion zombie Hitlers! Less articulation, less paint and way too simple!
And why does that make you so angry?
I'm not angry about that! I'm angry that these toy companies keep making cheap crap for stupid children!
They should be catering to sophisticated adults like me!
Y'know, I have a friend who can relate to your problems.
Yeah?
I don't think she'd like you any more than I do, but at least she'd understand what you're talking about.

Our first night in our new apartment together.
first of many. Once we get all moved in.
Good night, roomie.
Goodnight dear.
We're getting the moving truck tomorrow, right?
Right.
It's gonna be rough in the morning without any internet.
I already checked. There are no open wireless routers in range.

SESSION THE SECOND
You okay?
@EWS
Does - Does SHE have to be here!?
What?
Zig Zag has as much reason to be here as anyone in this group. Why do you object to her presence here?
Just - just - just LOOK at her! - with those fancy stripes, and - and those BOOBS flying all over the place, and - and - and -
what are you getting at Marcie?
I'M THE SEXY ONE HERE!
You ARE!?
I'm SUPPOSED to be!

OK, I'll see you all on Thursday.
Can I speak to you for a second?
©EWS
What can I do for you, Zig Zag?
Well, I was thinking that I might be a disruption around here, so I want to know if I could do one-on-one counseling instead.
I'm willing to pay extra if I need to.
I don't normally do that for the anger management sessions, but I guess I can set you up with some appointments at my office.
That's good. To save work, can I convince you to just sign off on my sessions instead?
Perhaps, but the judge would probably ask how you blew through six weeks of sessions in a couple days.

Check out Sabrina Online at http://www.sabrina-online.com

So, what's going on here?
U-LUG
Didn't you hear? We're all moving to a new place.
Ah - I guess that explains the boxes.
I thought it was an elaborate game of hide and seek.
TOYS
Seriously?
TOY
I hope we'll get more room to spread out.
I'm not so sure about that.
What d'ya mean?
We're gonna be moving in with someone else's toys.
They're right over there.
Hey guys! It's been a while!
STUFF
©EWS

It's good to have more room to work with, but there are still limits.
So, how much of your stuff will we put in storage so I can put my things out?
That depends.
-on what?
-on how much of YOUR stuff will be put away to make room for MY stuff.
©EWS
I guess a compromise would be the fair thing to do, huh?
Glad you agree.
I miss the days when you were too infatuated with me to argue.

Can we at least get rid of these anime girl figures? They kinda bug me.
But I like them!
But how am I supposed to feel when my boyfriend keeps all these sex objects around?
GROAN fine.
Just quit it with the eyes!
OK, well I'll just take these, and-

Sorry for all the conflict.
No problem. Just a bump in the road.
We'll get everything sorted out soon enough.
Yeah, you're right.
Umm- Can we move your Thundercat toy into another room?

I can't believe you're leaving just like that!

You're very cute, by the way.

@EWS
Welcome, Zig Zag. Have a seat.
I notice you're dressed differently than you were in the group sessions.
I wanted to make a good impression
There's no need to impress me. I just want you to be comfortable and relaxed.

C'mon doctor,
You don't really think I have an anger problem, do you?
To be honest, I don't think you're unusually prone to anger or stress, at least not any more than most people.
That's what I'm tryin' to tell everyone!
However, I do believe you have some 'buttons' that cause you to react in extreme and negative ways.
where do you get that?
I WAS given access to your police file.
Oh, yeah.
That.

I have a Transformers question for you.
What's that?
In the new movie, the robots ride on those metal dinosaurs,
Dinobots, yeah.
The guys riding 'em are robots the size of cars and trucks, right?
Uh-huh.
but on the dino-robots, they look like babies riding construction equipment!
I'm not sure what you're getting at.
It would mean those dino-bots are like hundreds of feet long! - way bigger than real dinosaurs would be
Yeah, and?
I guess I'm not sure if that's ridiculously awesome, or just ridiculous.

Sabrina! What are you doing here?
Just dropping by. I thought maybe I would support the store you work for.
You want to buy something?
Um — Uhhh — I guess not.
Smart move.
So what is Timmy doing here with you?
I'm watching him while Amy's trying out for a new job.
There's something weird about the air in here.
Really? What's she doing?
Something in phone sales, I think.
What am I wearing?
Why, nothing at all, baby.

I did. and I quit it right away.

Turns out it wasn't telemarketing so much more like a phone sex line.
Ohhh... ew.
I thought maybe I could make it work for a minute, but then I thought about one thing.
What's that?
Some day, he'll ask "What does mommy do for a living?"

wait.
You're saying I can?
I don't see why not. We could combine right now if you want.

YEAH! no I.. I just don't — y'know, wanna go showing off, right?
I didn't realize one could blush through a face plate.

So, take me through the events that led to your arrest.
EWS
Well, this piece of— a criminal attacked, nearly killed - a good friend of mine.
Your employee, Sabrina?
Yes.
So I tracked the guy down, and paid him back for what he did.
-With violence.
Mm- hmm.
Why didn't you just tell the police where to find him?
I can't really rely on the COPS to beat the ever-loving $#!* out of the guy, can I?

"Dodging the issue"

The purpose of these sessions is to help you find alternatives to a violent outburst.
I don't regret my 'outburst'
I'm not happy I was caught, but I'd do the same thing again in a minute.
You know what happened. Do you think my actions were justified or not?
The police seemed to have a problem with it.
No, I'm asking what YOU think. Do you really think I was that out of line?
As a therapist, it's not my place to make morality judgements on patients.
COP OUT!!
©EWS

Check out Sabrina Online at http://www.sabrina-online.com

If I'm supposed to avoid violence, what should I do?
Well, I'm sure you've heard about counting to ten. That helps to defuse an immediate angry reaction.
Similarly, it can help to wait a few hours, or even days before taking action.
That way you can cool off and look at a situation more objectively and less emotionally.
Does that really work?
Sure it does!
For you?
... maybe.

Happy birthday Sabrina! this is for you.
Wow!
©EWS
This isn't supposed to be out yet. How'd you get one?
Well....
Thanks so much! I'm gonna open this up in my room.
Y'see I got it early from a seller in Hong Kong on Ebay.
I paid through the nose to get it, but you're worth it. I hope you appreciate—
SLAM!

I wouldn't really know how well these anger techniques work until I'm in a situation that calls for them, would I?
Probably true.
but it took my friend nearly getting killed to send me into a rage.
How am I supposed to test that?
I'm just trying to give you options to keep in mind, and asking you to try your best
Remember, it's not about supressing anger entirely. It's about keeping yourself out of trouble.
Really, this stuff all seems pretty hollow and obvious.
Gimme a break. I'm working from a court mandated script here.

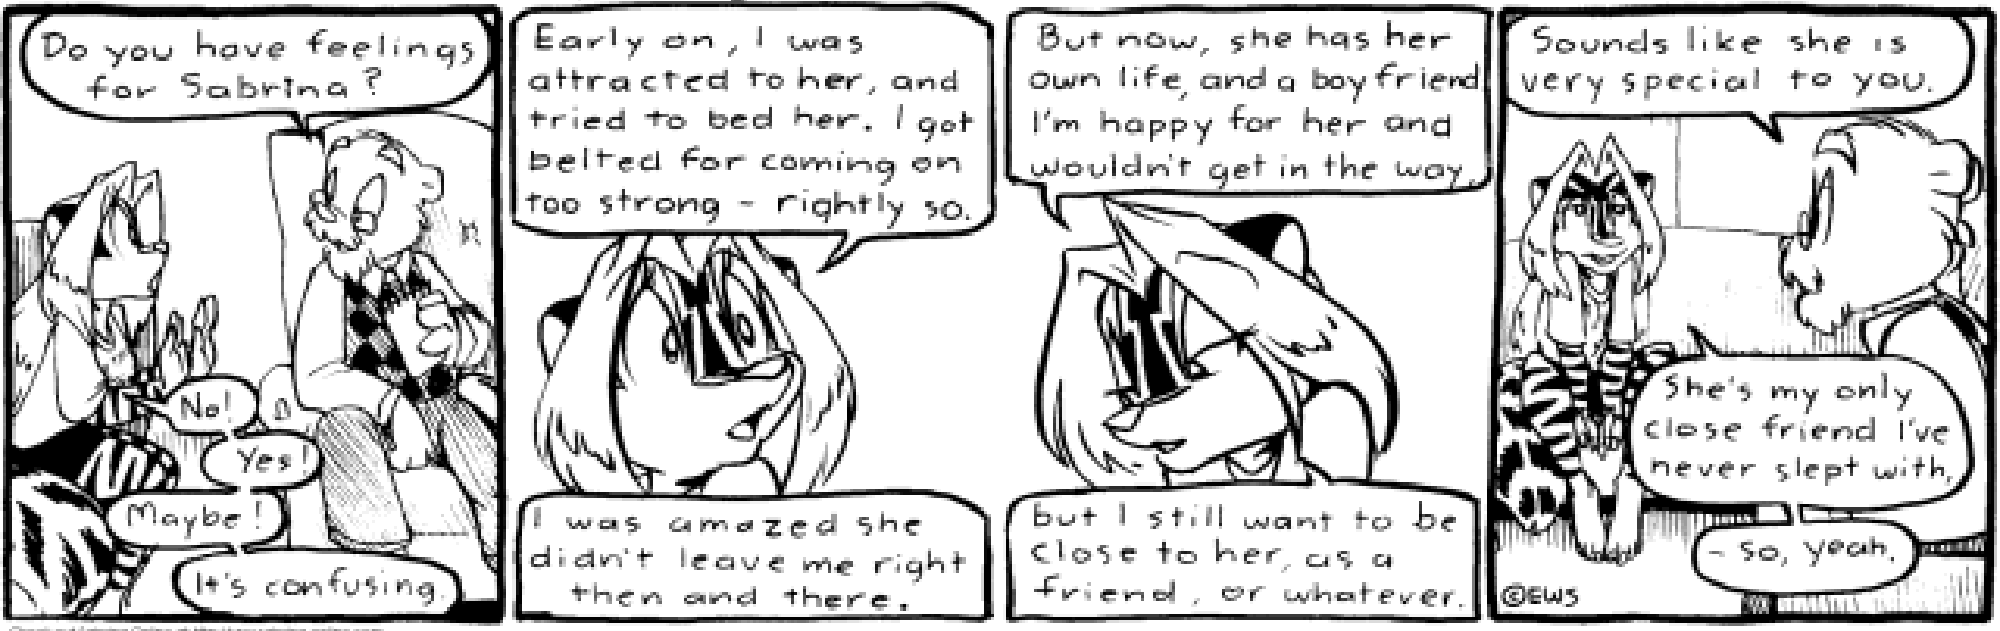
I'm not sure what to talk about.
Well, since this all started when your friend was hurt,
Maybe you can tell me something about this Sabrina.
Well, she showed up to work at my studio years ago.
She was a real prude at first but I helped loosen her up.
I don't think she liked me much when we first met but over time we got to be friends
HOTTIE
Good friends even.
And what do you think about her?
Mostly I'm surprised she stuck around as long as she has.
©EWS

Do you think you would have reacted the same way if any of your employees were attacked, or only Sabrina.
Hmm—
©EWS
I think of everyone at the studio like family, and I want to protect them all,
- but probably not.
Why is that?
Most folks at the studio can take care of themselves. Sabrina — just seems so cute and innocent.
I want to keep her safe, 'cause I really...
Umm...
Really what?
Nothing!

©Eric W. Schwartz Sabrina Online at http://www.sabrina-online.com



Do you have feelings for Sabrina?
No!
Yes!
Maybe!
It's confusing.
Early on, I was attracted to her, and tried to bed her. I got belted for coming on too strong - rightly so.
I was amazed she didn't leave me right then and there.
But now, she has her own life, and a boyfriend. I'm happy for her and wouldn't get in the way.
but I still want to be close to her, as a friend, or whatever.
Sounds like she is very special to you.
She's my only close friend I've never slept with,
- so, yeah.
©EWS

You want me to work at a bar?
I'm just offering it up as an option.
What do we do with Timmy while I'm at work?
I think we can work different shifts, so I can stay with him while you're working.
Well— I suppose it could work, and we need the money.
It's worth a shot. No pressure though.
Who knows, maybe Timmy will like hanging out in a bar.

Oh ... I see.
Could — I continue seeing you anyway? I think this might actually be helping.
If you're willing to pay for the sessions, sure!
We don't have to stick with anger management, do we?
